

BEST CARAMEL® HELL

BESTMALZ

THE MALT	BEST Caramel® Hell reinforces the typical “caramely” malt aroma of the beer, giving it a mouth feel that is reminiscent of vanilla and cream toffee. The color of the beer ranges from golden hues to amber, depending on the amount used in the grain bill. The foam and flavor stability of the beer are also improved. As with BEST Caramel® Pils, only the best two-row summer barley varieties are used together with our gentle BEST caramelization technique to make this outstanding specialty malt. BEST Caramel® Hell complies with the purity guidelines of the German Reinheitsgebot.
USE	For Helles, Märzen, wheat beers, light beers, reduced-alcohol and non-alcoholic beers, all golden to amber-colored beer styles.
RATE	50 % of the grainbill
PACKAGING	In bulk, sacks size 25 kg/55 lbs and 50 kg/110 lbs, super sacks size 500-1,000 kg/1,100-2,200 lbs
SHELF LIFE	At least 24 months under dry conditions (max. 20 °C/68 °F, max. 35 % RH).

REMARKS	<p>All of our malts are produced in accordance with the purity guidelines of the German Reinheitsgebot of 1516. We use no genetically modified raw materials. Our malts are produced in compliance with all valid food regulations and legal provisions. Of course, absolute compliance with strict statutory limits relating to pesticides, herbicides, fungicides, mycotoxins and nitrosamines is guaranteed. This is checked by independent laboratories on a regular basis.</p> <p>All processes are conducted according to procedures that are stipulated in our quality management system in accordance with the European standard DIN-EN-ISO 9001:2015. This also comprises a HACCP system. Certification of the systems is performed regularly by the LGA InterCert.</p> <p>Malting barley and wheat are natural products. This means that the specifications given here are subject to seasonal variation and are based on a minimum level of quality for the harvested grain. Please find more information on our website at www.bestmalz.com.</p>

STANDARD MALT SPECIFICATIONS (the values are harvest dependant)
